

BEST FOR OVERALL LUMINOSITY

Officina
de' Tornabuoni
**CREMA LA
MAGNIFICA**

This product is haute couture for the skin, promising to make it youthful, radiant. Expect nothing less than an ironing out of your fine lines and wrinkles as your skin gains elasticity and firmness. Use this cream almost anywhere to repair and beautify skin and enjoy its delicate scent of neroli and white flowers. All its luxe ingredients like a biotechnological extraction of algae are hypoallergenic. And just when you thought it couldn't get any better, there are no mineral oils or colouring added to the mix.

Crema La Magnifica is \$218 for 200ml and is available at Officina de' Tornabuoni, #B1-02A Ngee Ann City and #02-09 Pacific Plaza, Robinsons at The Shoppes at Marina Bay Sands, and LS Philosophy, 15 Scotts Road #01-03/04
