

LUXE TREATMENT FOR FEET

Officina de' Tornabuoni *CREMA PIEDI*

Reach for this anti-aging spa foot cream for chapped and parched skin. Its hydrating, nourishing and protective formula helps heal and repair damaged skin, while promoting circulation and relieving tired feet and legs. A potent blend of essential oils like eucalyptus and bergamot helps to provide the best care for the one part of your body that deserves it most. Apply regularly, especially after showering, concentrating on the heels and dry parts. Your feet will thank you for it.
